Dear Residents,

We will be resurfacing the pavement in your community on the days shown to the left. (weather dependent) All vehicles need to be removed from the color coded work areas by 7:30 am on the day work is being done for that section. Any vehicles not removed by 7:30 am will be towed at the owner's expense. This work includes all visitor spots as well. Also keep in mind any vehicles left in driveways or garages will not be able to leave once the work starts.

The work areas will be closed while the work is being performed during the day. The areas will be opened up by 7 pm that same day.

We appreciate your cooperation while we complete this work in your community.

Thank you,

Omega Mgmt and Raleigh Paving
